

International Summer Field School for
anthropologists and cultural scientists in
the heart of the Mediterranean

SCHOLARSHIP

Expeditions and IMMRC hand out three scholarships that cover the complete cost of the summerschool 2008 (± 2.300 USD). Scholarships are selected based on a research proposal that can be performed during the project.

Requirements

- an original anthropological research proposal
- 500-1500 words
- covering topic and methodology
- sent to us by mail or e-mail before January 31, 2009
- no academic requirements

People who get a scholarship are expected to deposit half of the participation fee, but will be fully refunded after the research is performed during the summer school.

From July 1 to July 21
Location: Island of Gozo (Malta)
Guest lectures and field courses by professors from different universities
Official certificate when completing
Research will be published
