Directions to Grinnell College’s Conard Environmental Research Area (CERA), near Kellogg, Iowa

1. From Interstate 80, take exit 173 (south)
2. After the gas station, take the first right onto a gravel road (S. 12th Ave. E.)
3. Proceed for 1.5 miles to the main entrance of CERA, as marked by a sign
4. Stay left in CERA as the road forks. The cairn will soon be visible on the right, by the Environmental Education Center.

**Please do not disturb or deface the cairn** and be respectful of the natural environment at CERA. Do not remove anything from the area. Park vehicles along the side of the gravel road or refer to the map at the main entrance for designated parking areas. Foot traffic must stay on the road or the mowed trails.

For more information, call Faulconer Gallery, Grinnell College, at 641.269.4660
