Corrigenda

p.32 n.14, CIL 12 2174: fore stultu(m) should be read as forê stultu(s) and rather join CIL 12 2189 in p.33 (11d).
p.136 §5.1.1, l.1 ad init.: Mahoney 2001 was omitted from the Bibliography, where p.407 should have included: Mahoney, Anne. 2001. "Alliteration in Saturnian Verse." New England Classical Journal 28: 78–82.
p.187, ll.11–12: uncontracted mischaracterizes the change from sient to sint that I want to undo. Rather, the change was a generalization of "the stem variant /sǐ/ [...] giving sim, sis, sit, sitis, sitis, sint" (Weiss 2009: 416–17).
p.214 n.131, l.13 ad med.: DICTATOR from the perf. pass. pple. stem dict- would be correct for Kazanskij’s (1989: 169) DEICTATOR, which I capitalized and quoted uncritically.
p.241 (222), l.3: Read hortī ho(c)ē and scan as – hortī hoc – for hortī hoc
