### Notes:

Periods 50 and 150, are starting times of 1:00 pm instead of 1:15 for periods 5 and 15. This should be done only after considering student-wellness concerns with time in class and shortened lunch time. The Wednesday starting time should be flexible to encourage attendance at convocations which end at 1:00 pm

Period 160 represents the modification of period 16 that allows for 10-11:50 on T and 10-10:50 on R. (The "L-shaped period")
