WEBADVISOR REGISTRATION OVERRIDE
--- this is not a drop-add form ---

Bring this form to the Registrar’s Office during Registration

Instructor’s signature does not guarantee a student a seat in the course, it simply gets the student’s name on the waitlist or roster.

Instructions to Students and Faculty:
- Check the appropriate box below for the override approval request, complete all information within the block, and obtain the required signature(s).
- All information within the individual permission box must be completed before the request can be processed.
- Instructor consent, or overrides of prerequisites & registration restrictions can be made by the instructor by e-mail to registrar@grinnell.edu or via Student Planning on the Faculty tab.
- Overrides below do not register a student for a closed course, you will be added to the waitlist if the course is closed.
- This form does not waive any deadlines. Students are responsible for meeting all registration deadlines; late submissions will not be accepted.
