Academic Awards/ Scholarships/ Internships/Grants

Frederick Baumann Prize

The Frederick Baumann Prize recognizes excellence in education by encouraging Grinnell college students to explore ideas and society in an interdisciplinary and historical context. Established in 1993 and funded by David '51 and Audrey Lowe '52 Hammer, the prize distinguishes the dynamic classroom contributions of Frederick Baumann, professor of history at Grinnell from 1927 to 1954.

Students from any department and any class interested in applying for the Frederick Baumann Prize must submit their scholarly work to the Associate Dean's Office by Monday, March 30, 1998. The \$2,500 prize is awarded to the student who writes the best essay on the general topic of "Ideas and Society," taking an interdisciplinary and historical approach. The prize is awarded each spring if, in the opinion of the judges, there is an entry of prize-winning caliber. For more information, contact Angie Story-Johnson in the Associate Dean's Office, Nollen 1st, ext. 3460.

Grinnell-in-London 1998 Applications

Applications and brochures are now available for the Fall 1998 Grinnell-in-London program. Please stop by the Off-Campus Study Office (Nollen 1st) if you are interested in applying. The application deadline is Friday, February 6, 1998.

Joseph F. Wall Scholarship

The Joseph F. Wall Scholarship is awarded annually to a student in the second semester of the junior year who has achieved an outstanding academic record and has, in the judgment of the selection committee, made a significant contribution to the college community. In addition to demonstrated excellence of performance in the curricular program, the student must also have shown responsible participation in one or more areas of extra-curricular activity. Financial need is one of the factors considered in the selection but is not necessarily the controlling determinant.

If you know of a junior deserving of this scholarship, please send the name and a paragraph of explanation for your choice to the Associate Dean of the College, Nollen House. The deadline for nominations is Monday, February 23, 1998.

Phi Beta Kappa Scholar's Award 1998

This award, established in 1981, is given annually to a Grinnell student for outstanding scholarly work completed prior to the final semester of the senior year. "Scholarly work" is interpreted broadly to include any scholarly or creative endeavor which results in a tangible product. Thus, it may be a research paper, an essay, an original literary piece (such as a story or play), or any project done in connection with a course. A scientific project, an art work, or a musical composition will also be considered if accompanied by sufficient prose to demonstrate the significance of the work and its relation to other work in the field. The work may be done on or off campus, in the summer or during the school year, provided that it is completed while the contestant is a Grinnell student and before the final semester of the senior year.

Only one entry per student is permitted. Entries should be carefully proofread and edited before submission. Members of the faculty should encourage entries from students who have submitted scholarly work of outstanding merit.

The winner, who will be announced in May, will receive a cash award and an individual plaque. The winner's name will also be added to the plaque permanently displayed in Burling Library. This competition is open to all students. To submit an entry, obtain a cover sheet from Ed Phillips (ARH 311C). Completed entries must be received by 5 p.m. on March 2, 1997.
